Our Mission

Founded in January of 2018, Mission to the Son, Inc. is a nonprofit organization dedicated to spreading God's love by feeding the hungry and housing the homeless in areas of the world that do not have the social services that the United States offers.

How You are Helping

All proceeds from this event will be used to purchase a mission home in Jamaica that serve as a fluid family resource house. While Jamaica seems luxurious for vacationing, the majority of its residents live in poverty and receive no assistance from the government.
